

TTGI manages multiple award IDIQs and BPAs supporting a wide range of government customers. The proven track record of success stems from empowering

leaders and encouraging team member innovation. Corporate leadership is

focused on team member growth and development, treating each person as a valued asset living out ***“People first, Customer always.”***

TTGI is very proud of our team members and their dedication to providing customer satisfaction. Our first order of business is loyalty to the ideals of our

nation and commitment for our Armed Forces to remain a vital and capable

national power. Many of our team members are former government/ military personnel with an in-depth understanding of the successful implementation and execution of client requirements. TTGI’s team possess a shared vision for a well-equipped U.S. military, fully trained and ready at all times.

TTGI utilizes proven cost control methodologies and management processes, all while retaining agile small

business capability. Our competitive employee benefits program,

coupled with extensive management experience, affords TTGI the ability to recruit, hire, and retain talented, highly qualified, professional employees for all customer needs.
